

Brenden Schild

DESIGNER + FILMMAKER

A creative professional with over 12 years of agency experience assisting companies in effectively conveying their stories through impactful designs and emotive films.

EXPERIENCE

CO-FOUNDER ACTIVE CULTURE STUDIOS

April 2012 - Present | 11yrs

Active Culture Studios, previously recognized as Ideaville, is a purpose-driven studio committed to regenerative marketing and creative initiatives that contribute to the greater good. Within this creative and dynamic environment, I actively undertake a multitude of responsibilities. Crafting impactful brands, designing user friendly websites, capturing captivating photography and videography, and project managing multiple client at once. My role encompasses a diverse range of skills.

OWNER SCHILD CREATIVE

Jun 2010 - Present | 13yrs

Schild Creative is my personal studio dedicated to making professional-grade photography, video production and design solutions accessible.

MULTIMEDIA SPECIALIST SUNSET PORSCHE AUDI

Jan 2011 - Apr 2012 | 1yr

As a Multimedia Specialist at Sunset Porsche Audi, I excelled in designing captivating ads for both print and digital platforms. Additionally, I managed the Sunset Porsche Audi website, produced engaging videos, and oversaw successful email campaigns. My commitment to brand consistency and successful marketing campaigns elevated the dealership's image and effectively engaged customers.
